Elden Ring via Google Play RIDE THE STORM OF THE TORCH BANNER! The Elden Rune Wars Action RPG is a fantasy action RPG that crosses genres and allows you to wield the power of the martial arts, the precision of the gun, and the magic of the Elements. Take part in the action packed journey of a young hero. Lead a heroic party of up to four characters and fully customize your army as you

Features Key:

Create and develop your own character Responsible for fighting the demon threat of the Demon Realm. Through various modes and events in various routes, your character will grow.

Onslaught of an Unforgiving World Prepare yourself for the battlefield; battles against fierce enemies await your every step. At times you may feel intimidated by falling monsters in a three-dimensional environment, but take heart! As you gain strength, your character will be able to withstand more powerful enemies.

Action with Various Weapons The combat action accompanying your steps forward, you'll have a sense of engagement that your character develops through various motions.

Combat Action with Special Effects Equipping a weapon possessing a powerful effect brings forth special effects you can utilize. You can utilize those special effects even during online play.

Unparalleled Completeness Experience the new fantasy action RPG that combines the action of your standard mmorpg with the interaction of a third-person action game. Enjoy the story that marks the beginning of a myth-of-a-land.
